We are very happy you have chosen us to care for the health of your eyes. If you have Vision Service Plan (VSP) or Vision Care Direct (VCD), please inform us before you see the doctor. If you have a supplemental insurance, Medicare will submit to your secondary insurance. We do not submit to any secondaries through this office. If you have a commercial primary insurance and a secondary, you are responsible for sending a claim to your secondary insurance company; we will send a claim to your primary carrier. You are responsible for providing us with the necessary cards/identification numbers at the time of service. We will not back-bill appointments after the date of service. You have the right to ask us not to bill your insurance. Co-pays/co-insurance and deductibles are due at the time of service.

All insurance carriers must be pre-approved through our office.

We are in-network with the following medical plans:

- Healthlink
(examples: FMH, Healthscope, GEHA)

We will file your claims as an out-of-network provider, but it is your responsibility to know what your plan pays if you go out-of-network, if your plan will reimburse you for services, and what may be applied to your deductible.

If you do not pay your patient portion within **90 days of receipt of your first statement**, we will add a **late fee of 3%**. If you still do not pay your patient portion and we have to send the balance to collections, we will **add a 20% fee plus any costs** incurred with trying to collect the debt.
